4. Discussion of upcoming items

- (a) *Consideration of the application of Trimark Property Group (Lakemont Chevron Rezone) to remove existing use restrictions specific to Lakemont Chevron Station located at 5157 Lakemont Boulevard SE, a single parcel in the General Commercial (GC) zoning district. The use restrictions in question were imposed as the time of annexation of the property into the City of Bellevue, and the restrictions limited the type of items a gas station could sell under Ordinance No. 4059 (October 2, 1989). The applicant requests the Rezone to permit a modest expansion of items for sale to permit the gas station to offer some food and other items consistent with a convenience store use. File No. 11-113742 LQ.
- Hearing Examiner 4-1

(Council action on this item is scheduled on January 17, 2012. This discussion provides opportunity to raise questions prior to scheduled action.

This is a Process III application, in which the Hearing Examiner makes a recommendation to the City Council, which is the decision-making body.

The Hearing Examiner recommends Council approval of the rezone subject to conditions.)
